News Release

Hanes Supply Welcomes H.K. McJunkin Tool to the HSI Family

(BUFFALO, NY and PITTSBURGH, PA) Hanes Supply Inc. (HSI) is pleased to announce the acquisition of H.K. McJunkin of Pittsburgh as a subsidiary of HSI, which was completed on March 28th, 2018.

H.K. McJunkin brings a rich history of customer service and quality products through three generations of the McJunkin family. Rich and Denny McJunkin will be co-managing the branch as the H.K. McJunkin brand continues on as a subsidiary of HSI.

Clients will continue to work with the same company they know and trust, with the added support of Hanes Supply's knowledge base and expanded product offerings totaling over 55,000 individual SKU's. This new relationship will also give McJunkin customers access to Hanes Supply's manufacturing capabilities and expanded services which include rental and repair, rigging and fall protection training, as well as onsite inspection services for all of your wire rope, chain, synthetic slings, rigging hardware and fall protection gear.

H.K. McJunkin features over 21,000 square feet of office, showroom and warehouse space which will strengthen Hanes Supply's service in the Western Pennsylvania marketplace. It is the shared commitment to superior customer service that makes this partnership a win for everyone involved.

HSI - H.K. McJunkin looks forward to providing quality products and services that exceed expectations for all its customers.

Hanes Supply Inc., headquartered in Buffalo, NY, is a complete construction and industrial supplier offering professional hand and power tools, abrasives, safety supplies, fall protection, personal protective equipment (PPE) and more. Additionally, HSI is a leader in the rigging/heavy lifting industry specializing in sling manufacturing and below-the-hook lifting solutions. Key industries include general contractors, mechanical and electrical contractors, ironworkers, utility contractors, tower erectors, wind turbine installers, industrial plants and food processing facilities.
