

Black Widow Tape Measure

All black blade brings a new level of visibility to measurement

With its revolutionary all black blade, the Lufkin Black Widow tape measure makes a statement on any job site. High contrast green markings on both sides of the blade provide improved legibility in multiple light conditions. A 360-degree end hook and 10-ft standout work together to make tough jobs easier. And a rugged thermoplastic rubber over-mold case features 5-screw construction for maximum durability.

- High-contrast green markings for improved legibility in varied light conditions
- Matte nylon blade coating provides reduced glare and longer life
- 10-ft standout blade for improved versatility and ease-of-use
- 360° end hook grips objects from all sides
- Thermoplastic rubber over-mold case with 5-screw design provides increased impact resistance
- Integrated tether point for added safety when working at height
- 1-3/16" Dual Sided Black Blade
- Consecutive Inches to 16ths on Both Sides, Vertical Read Out on Back, Horizontal on Front
- Dual End-Hook Grips on All Sides Makes Marking and Measuring Easier

Two-sided blade with vertical marks on back for faster, more convenient measuring
