ATTN:

Chief Operating Officer

Hanes Supply, Inc

20 Jetview Drive

Rochester, NY 14624

We have been made aware of a potential deficiency in the manufacturing process of the BLACK 6, 9 and 12 inch cast sling protectors. The stated safe working load limit of 12,500 psi in the BLACK protectors is in question and may be significantly reduced. **Please note this warning applies only to the BLACK protectors. No problems have been identified with the BLUE protectors.**

Our records indicate that your organization has received the following affected items listed below.

Date Ordered	PO Number	Date Shipped	Invoice Number	Stock Number	Qty	Product Description
01/26/18	168329-00	01/26/18	18-008	6-3-90	2	6" Black Sling Protector

We are requesting you return all listed items to Linton Rigging Gear Supplies, LLC. It is extremely important that the items listed above are no longer used for any application. Usage may result in property damage, severe injury or death. Please return via UPS Ground on account # 054Y4W to the address listed above.
